

Equalizers Running Club, a 501 (c) (3) Non-Profit organization, invites you to sponsor or partner in our upcoming 10th anniversary hosting the **Orange Park Acres 4th of July 5k Race/Walk and 10K Epic Challenge**.

By participating as a sponsor, either monetary or with In-Kind products or services, your organization will benefit from extended exposure through promotional efforts directed toward the race participants, their family's and the spectators who can be an important segment of your target audience. Sponsorships vary from simply your logo on the back of the technical race tee shirts and the sponsor banner at the event, to complementary race entries, commemorative sponsor medals, the ability to display your product or services at the event and inserts or freebies placed in participants swag bags.

Though we have various pre-set levels of sponsorship packages, we are also able to customize a sponsorship level that fits within your donation goals. At any level of participation, you can be secure in the knowledge that your sponsorship will be used by the Equalizers Running Club to make this exciting and energetic Independence Day Celebration event the best one yet. The race proceeds fund the Equalizers Running Club High School Scholarship and assists with the maintenance and repairs of the 20 miles of trails surrounding the community affected by the recent fires that neither the City or County maintain.

Please visit the race website for more information - www.4thofJulyRaces.com - and check out the gallery page for race candid, or Facebook - www.facebook.com/OrangeParkAcres5k/.
